The closures are necessary to install beams for the 63rd Street bridge reconstruction.

Starting at 9 p.m. Saturday, the left lane of the northbound express lanes will be closed, with a second lane closing at 11p.m. All of the northbound express lanes will be closed between midnight and 3 a.m. Sunday.

A full closure of the northbound local lanes will take place from 3 a.m. Sunday to 7 a.m. The right lane will remain closed until 9 a.m. The entrance ramp to the northbound local lanes at 71st Street will be closed from 2 a.m. to 9 a.m.

In the southbound local lanes, the left lane will be closed at 9 p.m. Saturday, with a second lane closing at midnight. The three left lanes will be closed from 1 a.m. to 7 a.m. with full 15 minute stops.
